

# TITAN XT

#1 IN DURABILITY

The **Titan XT** is a heavy duty, form-fit, reinforced performance work glove that features more TPR knuckle guards on the top of hand for impact protection. High visibility safety lime and 3M Scotchlite™ reflective patches promote high safety awareness. The durable non-slip palm increases performance and grip. Memory foam is strategically sewn into the palm for dampening impact and shock.

This glove offers total hand protection and lasting durability without sacrificing dexterity.
